

TRAILER LINE- TRAILER QUALITY CONTROL

Who are we?

Telwaters purpose-built factories are based in Coomera, in the Marine Precinct here on the Gold Coast. We are Australia's largest manufacturer of trailerable boats, and we produce iconic brands such as Quintrex, Stacer, Savage and Yellow Fin.

Due to increased daily demand for our famous range of trailerable boats, Telwater is looking for a dynamic long-term employee who takes pride in their work to join our Trailer Line. The position will work closely with other team members within the trailer line to ensure best quality of product of the assembly line.

Responsibilities

- QC the Trailer and fit up boat to the trailer
- Complete jobs in allocated time frames
- Check off trailers to a high standard
- Follow all workplace health and safety rules

Qualifications

- Previous experience in boat building and in the marine industry is an advantage
- Reliable transport and Australian Driver's license
- Assembly line experience (preferable automotive), use of air and power tools.
- Forklift ticket

Applicant

- Full Australian working rights
- Have an eye for detail.
- Thrive on a fast-paced work environment.
- Can handle a repetitive job.
- Be physically fit.
- Be able to fault find and organize the necessary repair work by other team members.
- Be able to work un-supervised.
- Work well within a team.
- Have good time management skills.
- Be at work every day!
- Takes pride in workmanship

- Ability to fabricate and work from drawings
- Available to work hours of 6AM-2:30PM Monday to Friday, with occasional overtime and occasional Saturday.

You will be rewarded with industry leading pay rates if you are successful, however remuneration is to be discussed at the interview. **Only successful applicants will be contacted to arrange an interview. Please email Human Resources Shannon_sponneck@telwater.com.au with a cover note and your most recent resume.**
